

October 31- November 11

**Our Thematic Unit:**

**Fall Into Fall**

The children continue to learn about their community and the world they live in. Seasons provide many opportunities for children to learn about cause and effect, change, cycles, and diversity in nature. At school, children explored the outdoors by enjoying the natural environment that is just outside the classroom door!

**New Words We Learned**

In this unit, the children learned about fall and nature. The children also learned about activities we can do in the fall!

Seasons Fall Prepare Harvest Pumpkin Apple  
Acorn Rake Squirrel

**Learning is Fun**

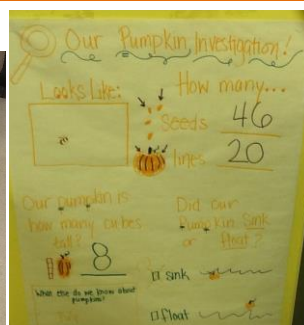

**Notes from the Nurse:**

**Reminder: Your child needs to get the flu shot.**  
*Please bring documentation to the school nurse.*

OHI will be coming to our schools to give the flu shot to preschool students on the following dates:  
LECC Fri. Nov. 19, 2016 9:00AM to 1:30 PM  
Piners Fri. Dec 2, 2016 8:30 Am to 1:30 pm.  
Spruce Tues. Nov, 15, 2016 8:00AM to 12:00PM

Notices with further information will be sent home with your child.

**Have Fun Learning at Home**

**At home, you can talk about the changes of the seasons.**

**You can also go on a nature walk with your family.**

**Enjoy pumpkin and apple picking at a local farm.**
