

Back to School

A MESSAGE FROM LECC SUPERVISOR MRS. SARA GARFUNKEL

Welcome back to school!! We have been off to a great start, now that we have started settling in our friends are getting familiar with their classroom and are learning, playing and investigating!! Our days are packed with so many amazing things, we are now deep into our Study on the first six weeks, where we are getting familiar with our labs, circle time and small groups. We love when we can experience different things in real life and make the learning and experiences come alive. Don't forget to check out our google classrooms that are bursting with amazing content and experiences that are happening in the classroom each day!!! Thank you for entrusting your precious children with us. We look forward to a wonderful year together!!!

"Tell me and I forget, teach me and I remember, Involve me and I learn", Benjamin Franklin

Social Worker

Deidre Krok ext 7807

HERE'S WHAT WE ARE WORKING ON!

This year the LECC is working with a new schoolwide curriculum named "Creative Curriculum". Our first six weeks of school is a time for us to get to know one another as classmates and friends, get to know the staff and buildings and talk about our families! We also begin to learn about our emotions (What do we do if we are scared or sad) as well as rules of the classroom. Each month we will highlight some of what the classes are working on and each classroom will also be sharing some of their special projects and activities each week!

Handwashing Songs:

This website offers a few of our favorite handwashing songs- try them at home!

<https://teachingmama.org/handwashing-songs-for-kids/>

RESOURCE SPOTLIGHT:

This month we are sharing OCEAN RESOURCE NET which is a one stop local resource directory with a variety of supports for families.

<https://www.oceanresourcenet.org/>

In addition, the LRRC (LAKEWOOD RESOURCE AND REFERRAL CENTER) here in town has special programs and referrals as well for a variety of needs.
