Lakewood School District

2022-2023 Academic & Behavioral Supports/Code-of-Conduct

Lakewood School District's

Academic & Behavioral

Intervention Program (K-12)

"2022-2023"

The Lakewood School District will be implementing an Academic & Behavioral Intervention Program during the 2022-2023 school year for students in Kindergarten through grade 12.

The goal of the program is to keep every student in school, every day. The more students are in school, the more successful they will be in life. Sending students home as a punitive measure does not address or solve the root problem. Students need the opportunity to learn and grow from their behavior.

Students who are suspended are more likely to fall behind academically, drop out, or become involved in the Juvenile Justice System (Public Policy Research Institute and the Council of State Government's Justice Center).

The Lakewood School District's Academic & Behavioral Intervention Program will:

- Address Academic Deficiencies
- Address Mental Health Concerns (Depression, Anxiety, Self-harm/self-injury, etc.)
- Increase self-esteem and self-confidence
- Give students the skills needed to be productive, self-sufficient members of society
- Teach students to become independent thinkers
- Enhance social skills
- Provide alcohol/drug education & counseling
- Provide smoking/vaping/e-cigarette education & counseling
- Teach students how to handle anger and frustration & how to walk away from potential conflicts
- Teach students coping skills

The Academic & Behavioral Intervention Program will include:

- Two (2) Substance Abuse Counselors (SAC)
- Bilingual Social Worker
- Board Certified Behavior Analyst (BCBA)
- Behavior Therapy Associates (Psychologist/BCBA-D)
- Guidance Counselors
- Teachers

Lakewood School District

2022-2023 Academic & Behavioral Supports/Code-of-Conduct
