

## Comprehensive Health Evaluation for Children

Medical Evaluation  
Dental Screening  
Development Assessment  
Mental Health Assessment  
Cognitive Assessment  
Trauma Assessment  
Immunization Review  
Substance Abuse Screening

## Children who are Homeless deserve a Comprehensive evaluation ...

The comprehensive evaluation is for vulnerable children. Our providers have the ability and time to complete an extensive medical and psychological evaluation and to also review records and speak with those involved with the child.

Our goal is to improve their overall well being and develop a treatment plan. We hope to evaluate the whole child and ensure that all critical areas are addressed.

## HOW TO REFER:

**Contact: Carla** to schedule  
an evaluation today  
**732-776-2914 (Office)**  
**Carla.costigan@hmhn.org**

**It is always helpful to  
provide as much  
information as possible to  
the office, via email or fax:  
Old medical records,  
immunizations, school IEP's,  
etc.**
