

## **LHS Student Government is Thankful for our School Community**

**For the eighth year, the LHS Student Government Association has been blessed to be able to donate Thanksgiving dinner baskets to 30 local families. Each family received a basket including a turkey with all the fixings, fresh produce, cranberry sauce and delicious apple & pumpkin pies for dessert. We would like to send a heartfelt thank you to our staff and administration, without their help and support this undertaking would not be possible. Also, a very special thanks to our delivery drivers.**
