Dear Parents/Guardians,

The Lakewood Public School District is excited to announce the grade reconfiguration for the **2023-2024** school year.

In order to best meet the needs of our students, the following changes are being made as of September 1, 2023:

- Grade 6 students will remain in the Elementary Schools, and not attend Middle School until the 7<sup>th</sup> grade.
- Ella G. Clarke School – Grades 3 through Grade 6
- Oak Street School – Grades 2 through Grade 6.
- Clifton Avenue Grade School – Grades 2 through Grade 6.
- Piner Elementary School - Preschool and Kindergarten students.
- Spruce Street School - First Grade students.

This grade reconfiguration allows for improved instructional experiences and greater alignment of resources and practices, while giving rising 6<sup>th</sup> grade students an additional year in Elementary School.

As a result of the grade reconfiguration, staff will be distributed based on their current teaching assignment.

We look forward to the enhancement of our educational programs and are confident that these changes will positively impact our students and school community.

If you have any questions, please feel free to call or email me at (732) 905-3633/Lwinters@Lakewoodpiners.org

Respectfully,

*Laura A. Winters, Ed.D.*

Estimados padres/tutores,

El Distrito de Escuelas Públicas de Lakewood se complace en anunciar la reconfiguración de grados para el año escolar 2023-2024.

Para satisfacer mejor las necesidades de nuestros estudiantes, se realizarán los siguientes cambios a partir del 1 de septiembre de 2023:

- o Los estudiantes de sexto grado permanecerán en las escuelas primarias y no asistirán a la escuela intermedia hasta el séptimo grado.
- o Escuela Ella G. Clarke – Grados 3 a 6
- o Escuela Oak Street – Grados 2 a 6.
- o Escuela primaria Clifton Avenue: grados 2 a 6.
- o Escuela Primaria Piner: estudiantes de preescolar y jardín de infantes.
- o Escuela Spruce Street - Estudiantes de primer grado.

Esta configuración de grado permite experiencias educativas mejoradas y una mayor alineación de recursos y prácticas, mientras que les da a los estudiantes de sexto grado en ascenso un año adicional en la escuela primaria.

Como resultado de la reconfiguración de grados, el personal se distribuirá en función de su asignación docente actual.

Esperamos con interés la mejora de nuestros programas educativos y estamos seguros de que estos cambios tendrán un impacto positivo en nuestros estudiantes y la comunidad escolar.

Si tiene alguna pregunta, no dude en llamarme o enviarme un correo electrónico al (732) 905-3633/Lwinters@Lakewoodpiners.org

Respectfully,

*Laura A. Winters, Ed.D.*
