STATEMENT BY BOARD PRESIDENT

Pursuant to Board Policy 0164, Roberts’ Rules of Order shall govern the Board of Education in its deliberations and in the conduct of its meetings. As such, all comments from the public and from other members of the Board should be directed to the Board President who is responsible for presiding over the meeting.

Anyone who desires to ask a question must email to boemeeting@lakewoodpiners.org, between 6:30 p.m. to 7:30 p.m. the evening of the meeting, and provide their proper name, full

address and the question.

The President shall direct all inquiries or comments to the appropriate Administrator or Board member for response, as appropriate. The law requires a period of public comment at our meetings, not a question or answer session or debate. The board president at his discretion may or may not feel it is appropriate to answer questions raised during the public comment period. The board and administration do take all public comments seriously and consider them when conducting business.

The President may interrupt, warn, or terminate a participant’s statement when the statement is too lengthy, abusive or obscene. In addition, Security Personnel may direct any individual to leave the meeting when that person does not observe reasonable decorum, whether the person is at the microphone or at any other place in the meeting room. New Jersey law makes it a crime for any person to intentionally disrupt a public meeting. Law enforcement will be contacted if a person disrupts the meeting and fails to desist after being directed to do so.

Finally, we ask that you silence all electronic devices.

A discussion was held regarding the opening of school for the 2020-2021. Mrs. Winters addressed the Public Questions posed, specifically by Mrs. Shaw, LEA President and Mr. Lang.
